

The Family Centre

Residential Services
Child and Youth Care Worker
Signing Bonus Available

You will be part of a team that provides a family-oriented environment for children/youth aged 8 - 18 years who have struggled in traditional residential settings. You will provide support based on a relational, developmental therapeutic model.

QUALIFICATIONS

- Diploma/Degree in Human Services or equivalent experience
- Minimum 1 year experience (preferably residential)
- Standard First Aid and CPR certificate
- Suicide Intervention certificate
- Completion of Police Security Clearance and Intervention Record check within the last 6 months
- Experience working with developmentally delayed, mental health issues, autism, and Tourette's Syndrome would be an asset
- Experience working with youth with complex mental health and behavioural issues, including self mutilation would be an asset

COMPENSATION

Youth Worker in the form of 24 hour shifts

Compensation will be based on the current scale of \$34,619-\$47,822 annually

Competition #895
