

The Family Centre

Residential Services
Youth Support Workers
Competition #811

Mature and knowledgeable Mentors to work with youth, age 12 - 18 years who have struggled in traditional residential settings and require a family-oriented environment. Mentors provide support based on a relational, developmental therapeutic model in the form of 8-hour day shifts.

Requires:

- Diploma or degree in Child and Youth Care (preferable) or Human Services or equivalent
- Preferably with residential/foster care experience
- Rehab experience working with developmentally delayed, autism and Tourette's Syndrome an asset
- Security Clearance and CWIS within the last 6 months
- Aboriginal cultural knowledge an asset

You are strength-based and have a nurturing ability to provide holistic service in a strategic therapeutic team environment.

Compensation is based on the current scale of \$27,004 to \$36,284 annually.

Please forward cover letter and resume to:
