

Certification Board

Roles and Responsibilities

Each Board member is responsible for maintaining an awareness of and representing the views of their respective association / agency, during discussions regarding Certification issues, and for providing information to them regarding Certification activities and interests within the province.

In addition, the members of the Board must:

- be familiar with the entire Certification process
- be aware of current information and trends in the field of Child and Youth Care
- attend CYCCB meetings on a regular basis and vote on motions, assist in public relations as requested and available.

Please note: Board members must be Full Certified and have up-to-date maintenance.
