

Internal/External Posting

McMan Edmonton Requires Wage Youth Workers For The Family Intervention Services Program

The Family Intervention Services Program requires Wage Youth Workers in Edmonton and the surrounding area. Under the direction of the Program Supervisor and in conjunction with the program team, you must be able to work with youth having complex issues that may include addictions, mental health and family of origin issues.

Responsibilities:

- Teach individual skills such as communication, problem solving, emotional well being, assertiveness, conflict management and anger management
- Provide life management skills techniques including behaviour management, budgeting, employment, nutrition, meal preparation, home management, self-care, health and leisure
- Be part of a service team in the completion of service administration and recording
- Be available to work some evenings and weekends

Minimum Qualifications:

- Degree/Diploma in the human services field
- Six months of experience in the child care/family support field
- Security Clearance & Children's Services Intervention Record Check (within the last six months)
- Standard First Aid with CPR
- Suicide Awareness or Suicide Intervention training (offered internally)
- Aboriginal Awareness training & Non-violent Crisis Intervention (offered internally)
- Driver's Abstract (within the last six months)
- Valid Driver's Licence
- \$1 million third party liability and adequate coverage to transport clients on auto insurance
- Strong communication skills

Salary: \$16.32/hr - \$18.37/hr to start

Closing Date: Open until suitable candidates are found

Competition #: 10FISYW-247 (Please quote competition # on resume or letter of intent)
